President's Report

- AG Susan Salvaggio started the meeting with a few points, talking about about the upcoming MD pets, the poster project for each Club to showcase at the district conference, the district training assembly, which will be held on April 5 from 8:30 to 12:30 in Clifton Springs, and the upcoming grant seminars.
- Rich reported that we should have some information for our platoon out of Fort Drum but as of yet he has nothing as far as names and such.
- A sign-up sheet was passed around for the Miracle Challenger Field prom dates February February 7 and 8th at the Webster Golf Club.
- District Governor Dave Demers is scheduled to come to the club on February 20 and we are currently working on a plan to host the dinner at the Ukrainian club.
- Still putting together the Tom Smock cleanup day on April 26 at 8:30 in the morning.
- Robyn went on her rant again about how we're not doing enough in our community and that we need to be out visible as a club. At which point Bill Rouff brought up, trying to reconstruct the depot and seeing if our club could do that and he tasked Penny with finding out some information from the village and at that point a committee will be formed if it seems like a feasible project
- Robyn will be ordering the peace pole this weekend
- Robyn also wanted to get a feel for whether people were serious about doing the get in the spirit fundraiser for the fall, along with a possible collaboration with K2 brewing to create a rotary beer with the four-way beer test
- Also on the agenda was a possible CPR class and information is still being sought out to the exact cost for the club.
